DP8000

An easy install for system integration, and a smart investment for large meeting rooms, the DP8000 has the projection excellence to service classrooms, training centers, hotel meeting rooms and auditoriums. Powerful and nearly half the size of its competition, the DP8000 is future ready to satisfy the IT buyer or integrator who need a network-ready projector. In addition to high brightness and exclusive InFocus Quality Video™ for amazing projection from any source, the DP8000's extensive connectivity to multiple sources make it incredibly easy to set-up and install. A smart investment that anyone can use, the DP8000 is packed with multiple features and delivers set-up and projection with ease.

DP8000 features include:

- 3000 ANSI lumens
- Native XGA resolution (1024 x 768)
- Less than 34dB for whisper-quiet operation
- 800:1 contrast ratio (full on/full off)
- Digital Keystone Correction +40/-15°
- Analog and digital connectivity
- Computer, DVI-D, audio, component video, S-Video, composite video inputs
- HDTV (1080i, 720p) compatible
- Manual zoom and focus
- Less than 15 lbs
- Two years parts and labor warranty; 90 days lamp warranty; one year ProXchange (available in the U.S., Canada, EU Countries, Norway and Switzerland)

DP6860

Perfect for the IT buyer looking for a bright projector with on-board connectivity and simple, self-installation—the DP6860 is the complete solution. An excellent addition to training facilities, large conference rooms and classrooms, the DP6860's feature package and 2400 lumens mean versatility for a variety of usage applications. Its small size allows this projector to operate effortlessly on a cart and project powerful, high-quality images in any medium-to-large environment.

DP6860 features include:

- 2400 ANSI lumens
- Native XGA resolution (1024 x 768)
- Digital Keystone Correction
- Less than 40dB audible noise
- Analog and digital connectivity
- Motorized zoom and focus
- Less than 15 lbs
- 2 computer, 2 audio, component video, S-Video, composite video inputs
- Two years parts and labor warranty; 90 days lamp warranty; one year ProXchange (available in the U.S., Canada, EU Countries, Norway and Switzerland)
